OSCAR OF INNOVATION AT REMTECH EXPO DIGITAL EDITION. NATIONAL ASSOCIATION OF YOUNG INNOVATORS 2020 AWARD. UNDER THE PATRONAGE OF THE COUNCIL PRESIDENCY

The 3rd edition of the Innovation Oscar was held today, **December 4**, at the prestigious Baglioni Studios in Rome, with the collaboration of press agencies **ANSA** and **RAI**, organized by the National Association of Young Innovators **ANGI** and announced at a press conference on December 1 at the Chamber of Deputies.

The initiative, under the High Patronage of the Presidency of the Council of Ministers, the European Parliament, the European Commission, Italy Wellness Cabin, Agid, Enea, CNR, Rai, Lazio Region and Roma Capitale, aims to enhance the best initiatives of Italian innovators and to promote social excellence, scientific and technological research, training and culture, youth entrepreneurship and digital innovation.

The award-winning categories include, Food&Agritech, Energy&Environment, Mobility&Smart City, Economy &Finance, Science&Health, Industry, Robotics&Aerospace, Costume&Societies, Culture&Tourism, Sport&Wellness, Hr&Communication&Media.

The Oscar for the Economics and Finance category was awarded to RemTech Expo Digital Edition, for creating the first digital environmental platform that today represents an extraordinary reality of interpretation of change, nullification of distance, generation of continuity and opportunities, to the benefit of the activities of comparison and growth of the entire international community, technical, technological and scientific, public-private, which operates permanently in the field of protection and sustainable development of the territory.

The ceremony started with the greetings of the Minister for Technological Innovation and Digitization, **Paola Pisano**, **Vincenzo Spadafora**, Minister for Youth Policies and Sport, **Nunzia Catalfo**, Minister for Labour and Social Policies, **Fabiana Dadone**, Minister for Public Administration, **Fabio Massimo Castaldo** Vice-President of the European Parliament and of course **Gabriele Ferrieri**, President of ANGI.

Among the speakers were the Undersecretary of State to the Prime Minister's Office **Riccardo Fraccaro**, Prof. **Filomena Maggino**, President of Cabina di Regia Benessere Italia (PDC), Prof. **Silvio Brusaferrero** of the Superior Institute of Health, companies and a large number of innovative start-ups.

The prestigious award, received by **Silvia Paparella**, General Manager of RemTech Expo and Managing Director of Ferrara Fiere Congressi, who commented *"I am really proud to receive this important acknowledgement, for which I would like to thank Gabriele Ferrieri, President of ANGI, above all others, for the extraordinary initiative that aims to enhance the themes of innovation at a historic age in which innovation and digitisation have become fundamental pillars of the life of each one of us". "I am very pleased to share this award with Diego De Simone, CEO of Botika, the technical partner and developer of Meeters, our digital platform, with my staff, scientific coordinators, companies, institutions and all the public and private players with whom we work every day for the common interest of the community and the country"*.
